

Work life balance

- 45 hours of work per week - you will never be expected to work more than this
- Never work on weekends again - the Smart Working team promotes down time and makes sure everyone spends their weekends relaxing with family and friends

Work with a UK business who are hiring you for a long term role

- Become a full time member of their team and work with your UK colleagues directly all the time
- Opportunity to grow and to progress your career quickly while working with a UK business

Learn and Grow

- Learn from highly skilled UK colleagues
- Learn from your colleagues in the active and useful Smart Working network

Be part of the growing lovely Smart Working family

- Take part in weekend games and quizzes
- Compete to win our employee of the month competition
- Enjoy the Smart Working gifts and merchandise - sent to you when you join the family
- Network with like minded, ambitious and friendly colleagues

Never commute again

- This is a permanent work from home job
- More time spent with family and friends, not commuting

Your health

- We provide full personal medical insurance

Bonus to welcome you Leaves

- 25 days of holiday/earned leave per year
- 12 days of sick or casual leave
- Double pay on public holidays
- Maternity and paternity paid leave

Fully Compliant

- Gratuity
- Provident fund

Glassdoor ★ 4.9 ★★★★★

Work Life is good at Smart Working

4 Feb 2022 - Senior Software Engineer in Hanumāgarh

✓ Recommend ☐ CEO Approval ✓ Business Outlook

Pros

Best company for both the freshers and experienced employees. Employees will get to learn many things in single time. Work culture is good too.

Smart Working is one of the recognized company so utmost Job security they provides, Work life balance is depends on project. Policies are also very good. Here are some really great team members. It is a great experience working in Smart Working as I got very good mentors, supporters and friends here. I learnt many new things here which will help me to increase my portfolio profile..

Cons

I did not find anything like that..
